Local Rules

- Out of Bounds #8, #9, #10 & #18 - A ball that crosses the railroad tracks defined as out of bounds and comes to rest beyond the tracks is out of bounds, even though it may line on another part of the course. The boundary stakes have no significance when playing hole -18.
- Alternative to Stroke and Distance - When a player's ball is lost or out of bounds and a provisional ball has not been played, a player may take relief without returning to the location of the previous stroke. The option allows a player to drop in a large area between the point where the ball estimated to come to rest or out of bounds and the edge of the fairway of the hole being played, not nearer the hole. A two-stroke penalty applies.
- If a ball strikes the poles or power lines between #16 & #17, the player must disregard that stroke and play another ball as nearby as possible from the spot which the original ball was played.
- Please abide by the cart path rule of the day, all carts must be kept on paths around tees and greens.
- Please repair all ball marks, replace divots and rake all bunkers.
- In the interest of all, players should play without delay.
- All yardage markers measured to the center of the greens.
- Proper golf attire required at all times.
- No outside food & beverage allowed.
